

## INTENT

### Statement of intent for PSHE

The intent identifies what our pupils need from our PSHE curriculum:

#### Our pupils need:

- high quality and ambitious teaching where we build children's knowledge ,skills and concepts sequentially so learning opportunities reflect the needs of all pupils
- to see that PSHE encourages positive communication that leads to a strong sense of belonging and well-being. To listen respectfully and kindly to each other and know that their voice is heard and valued.
- to develop their self-confidence by receiving careful and genuine recognition. To confidently explore new experiences, speak up in front of a group and seek help when they need it.
- to have a confident understanding of current affairs that are influencing our world today. To think about and discuss local and global issues from their viewpoint and the viewpoint of others. To take into account and listen to the opinions and thoughts of people who live in places that are beyond their everyday experiences.
- to be able to talk constructively and concisely about their own feelings and take account the thoughts, feelings and ideas of others.
- to be able to express themselves creatively with confidence, to explore and talk about and understand the value of their creative ideas.
