## MESSAGE FROM MRS MILES

Dear Parents & Carers,

Thank you for all of your support this term, if you haven't already done so, please could you complete the parent survey, which is live until next Wednesday, 27th May, as your feedback is very important to us.

Well done to all of our Year 6 children for all of their hard work during their KS2 SATS tests, we are so proud of you all. Thank you to all of the teachers and teaching assistants who have educated and supported them this year, and on their education journey over the years.

Just a reminder that we will be having our Sports Day on the reserve day, on Wednesday 3rd June and the arrangements remain the same.

I have also communicated with you today, information from Mrs Morris and myself in relation to our changes to RSHE.

Have an enjoyable half term break with family and friends.

Best wishes,

Maria

## Parking

We have received complaints from the school's neighbours regarding inconsiderate and often illegal parking by parents accessing the school in the mornings and the afternoons, including parking on the zig-zag lines outside school. Please walk to school wherever possible as not only is this a healthy way to get some exercise, but it supports the local community with congestion. In addition, it is better for the environment.

Thank you in advance.

## General Information and Updates

**Bikes and Scooters** – Please can you remind your child these should not be ridden on the school site.

**Naming school uniform** - We have lots of uniform without names on, we cannot return items if we do not know whose it is. Please can you name (even if it is with a biro), your child's name or initials.

**Sickness** – Please can we remind parents that a child that has had sickness or diarrhoea should not return to school or nursery until 48 hours after the last incident.

**Headlice** – Please check your child/ren’s hair regularly for headlice and treat immediately if necessary. Supermarket own brand conditioner and a headlice comb should remove the lice.

**Parent Pay** - A kind reminder to all families that we are a zero-debt policy school, please ensure that your school dinner balances are topped up.

Dear Parents

Supporting children as they develop a love of reading and build essential literacy skills.

Whether you can spare an hour a week or a little more, your time can make a big difference! Volunteers will work with small groups or individual students, helping them practice reading, improve confidence, and enjoy stories together in a fun and relaxed environment. **No teaching experience is required**—just a love for reading and a willingness to encourage young learners in.

If you are interested in volunteering, please leave your details with the school office. We truly appreciate your support and look forward to welcoming you into our reading community.
