Updates, Events, and Highlights for Our School Community

Headteacher Message

Dear Parents and Carers,
A huge thank you to everyone for supporting our recent Wrong Trousers fundraising event. We would like to extend a special thanks to Mrs Morris for organising such a fantastic day. It was wonderful to see so many innovative, creative, and colourful additions to the school uniform, all for a brilliant cause! Bristol's Children HospitaL and we have nearly raised £500.

Our school community has marked Remembrance with a series of deeply moving commemorative events. This included a special Remembrance Assembly, where Mr Poulton played the Last Post. Together, our entire school community observed the traditional Two Minutes' Silence with utmost respect. It was also lovely to see so many of our children wearing their official organisation uniforms with such immense pride.

After many years of dedicated service, Mrs Jones has decided to take early retirement and will be leaving us next Friday. On behalf of the entire school community, we want to express our deepest gratitude to Mrs Jones for the incredible care and guidance she has provided to so many children across her various roles over the years. We wish her the absolute best for the future and look forward to celebrating her.
Thank you for your continued support.
Warm regards,
Mrs Miles

Classroom Highlights & Learning Updates

The Young Shakespeare Company

The Young Shakespeare Company is a theatre company that performs William Shakespeare's greatest plays for children in Primary schools. The main characters in the play were Macbeth and his wife is Lady Macbeth. Together they plan to kill King Duncan and felt forever guilty. I liked acting as one of the characters and my favourite part was the sword fighting. The actors made sure we got enough attention and let us all participate. We all thought that the show was amazing and we would all recommend this company.
